Re: Empire Events & Solutions D.A.R.E. Partner

The purpose of this correspondence is to provide your agency with a courtesy notification that Empire Events & Solutions will be in your area in the next few weeks. D.A.R.E. America and the D.A.R.E. program have initiated a partnership with Empire Events & Solutions to help us raise much needed funds for the D.A.R.E. program.

Empire Events & Solutions is a leader among sales and marketing companies and we are proud to be associated with this organization. Empire Events & Solutions will primarily setup with a small table in front of the big box retail locations with the permission of store owners. They will not be in residential neighborhoods or going door to door. Further they will comply with all applicable local laws, ordinances, or permit requirements. They will give customers the opportunity to purchase products that will in turn support the D.A.R.E. program.

All of us at D.A.R.E. America appreciate your support and since the majority of the staff at D.A.R.E. America is former law enforcement we felt a courtesy notice, provided in advance, would be appreciated, especially with the patrol divisions.
