Re: D.A.R.E. Courtesy Fundraising Notification – **Carmichael Area**

The purpose of this correspondence is to provide your agency a courtesy notification that Limitless Global Solutions will be in your area in the next few weeks. D.A.R.E. America, a federally registered 501 (c) 3 and the D.A.R.E. program have initiated a partnership with Limitless Global Solutions to help us raise much needed funds for the D.A.R.E. program. 100% of funds raised will go back to D.A.R.E. to assist us in our mission.

As we strive to be transparent we are also doing our best to notify law enforcement agencies two weeks ahead of Limitless Global Solutions setting up in your area. Although we do not always know the exact location two weeks ahead we do require Limitless Global Solutions to provide us the exact location prior to setting up so we can post that on [www.dare.org](http://www.dare.org) in the DARE to KARE section at <http://giving.dare.org/> This will allow officers or citizens to verify Limitless Global Solutions is a partner of the D.A.R.E. program.

Limitless Global Solutions is a leader among sales and marketing companies and we are proud to be associated with this organization. Limitless Global Solutions will set up with a small table in front of big box retail locations with the permission of store owners. They will not be in residential neighborhoods or going door to door. Further, they will comply with all applicable local laws, ordinances, or permit requirements. They will give customers the opportunity to donate and support the D.A.R.E. program.

All of us at D.A.R.E. appreciate your support and since the majority of the staff at D.A.R.E. America is former law enforcement we felt a courtesy notice, provided in advance, would be appreciated, especially with the patrol divisions.
